COMPLIANCE

Anti-Bribery, Gifts and Conflicts of Interest Policy

What you can accept, what you must declare, and what you must never do.

Version	Owner	Effective from	Next review	Applies to
1.6	Head of Operations	1 Jun 2026	1 Jun 2027	All employees and contractors

1. Our rule

We follow the UK Bribery Act 2010. Never offer, give, request or accept anything of value that could influence, or look like it influences, a business decision. This applies to customers, suppliers, partners and candidates.

2. Accepting gifts and hospitality

Value	What you must do
Up to £50	You may accept. No approval needed.
£50 to £150	Declare it in the gifts register within 5 working days.
Over £150	Get approval from the Head of Operations before accepting.
Cash, vouchers or gift cards	Never accept, at any value.
Anything during an active deal or tender	Decline politely and tell your manager.

The gifts register is in Notion under Operations, then Gifts register.

3. Public officials

Get approval from the Head of Operations before offering or accepting anything to or from a public official, at any value.

4. Never allowed

- Facilitation payments: small payments to speed up a routine process, such as a visa or customs clearance.
- Paying a third party to do something we could not do ourselves.
- Splitting a gift into smaller ones to stay under a threshold.

5. Donations and sponsorships

Charitable donations, event sponsorships and conference payments made on behalf of Mubit need approval from the Head of Operations, whatever the amount.

6. Conflicts of interest

Declare to the People team any side business, paid advisory role, board seat, or investment in a competitor, customer or supplier. Declaring is usually all that is needed; not declaring is a disciplinary matter.

7. Speaking up

If you suspect bribery, report it to the Head of Operations or anonymously through the Speak Up form. Nobody will be treated badly for reporting in good faith.
